Citi Bike NYC - Distance and Speed

This dashboard presents the 10 longest and 10 speediest routs based on Citi Bike data. It defines a route as a unique start and end Citi Bike Station ID.

The longest routes tend to begin in upper Manhattan at W 169th St & Fort Washington Ave and continue to the tip of lower Manhattan for a distance of 9-10 miles.

The fastest route is a straight shot down 5th Ave from Central Park to Pershing Square at an average speed of 13 mph.
